

Instant Card Issuance Webinar

Improve Member Loyalty and Boost Revenue with CardWizard®

Lending Solutions is offering a FREE webinar on instant card issuance with Datacard Group's CardWizard. Why should your members have to wait 5-10 days to get their ATM, debit or credit cards? With CardWizard, cards can be issued right at the branch level, quickly, easily and affordably.

Member Benefits:

- Immediate card issuance
- PIN selection is private and secure
- Card can be used same day or next business day

CardWizard offers benefits to credit unions as well:

- Production and mailing costs are eliminated
- Faster card activation means higher interchange revenue
- Lost/stolen cards can be replaced quickly and affordably
- Potential to increase member loyalty and retention
- Competitive advantage in the marketplace
