

TrueCards™

Protect Your Credit Union from Fraud

Tired of being one of the last to know that your card portfolio has been attacked by fraud? Protect your credit union with TrueCards™ from Lending Solutions and Advanced Fraud Solutions.

TrueCards lets your credit union independently manage its card portfolio and helps identify the common point of compromise within your portfolio. Once you determine which cards are at risk, you can block those cards immediately. This can save your credit union thousands of dollars it might have lost had you waited for a CAMS Alert or 3rd party notification.

Credit card fraudsters are getting more cunning and more resourceful every day. TrueChecks can help foil them with its real-time solutions. Learn how TrueCards can protect your credit union with a **FREE** informational webinar.
