It's Time to be Counted.

If Credit Union Members Don't Vote... **CREDIT UNIONS DON'T COUNT!**

As credit union members, we need to make sure that the credit union vote counts. 44% of registered voters are credit union members. How many credit union members will vote in 2010? If credit union members don't vote, credit unions don't count.

It's Time to be Counted on November 2nd!
