

MCUL & Affiliates Political Contact Form

Credit Union Name: _____

MCUL & Affiliates Political Contacts receive electronic legislative action alerts in addition to email communication on PAC fundraising, grassroots and advocacy related programs and initiatives. Communication is always electronic for this convenient volunteer program. **Please consider designating 10 individuals from your credit union for this group** to help us further strengthen our grassroots network.

Don't forget to run the latest edition of the Project Zip Code (PZC) program, as it is easier than ever this year because it is available by download at www.pzconline.com/install. As you may have heard, PZC is a user friendly, secure computer program that counts your credit union members and matches them by congressional district, state legislative district and county. This data aids in federal and state advocacy efforts.
