

Designated Political Contact

If you need to update your Designated Political Contact, or establish a new one, please use this form! Doing so will help to make PAC fundraising easier for you. The Political Contact is the person at your credit union who implements PAC fundraising, who is interested in legislative advocacy, who has the energy and commitment to help preserve the credit union movement. It may be the CEO, it could be an executive assistant, it might be a vice president, it could even be your concierge!
