Last year, Metro East Charity Golf Outing was record breaking with \$15,000 raised in just one day! Thank you to each and every one of our sponsors, golfers and credit unions who provided funding for our 2018 charities:

January-March: The American Heart Association- The AHA has been working to save and improve lives from heart disease and stroke for more than 90 years. They fund innovative research, providing critical tools and information to fight for stronger public health policies.

April-June: Habitat for Humanity- Habitat provides low-income families with decent, affordable housing. Since their inception, they have built 141 homes in nine Macomb County communities. Our goal is to host a build day for credit union employees.

July-September: Pets for Vets- Pets for Vets supports veterans and provides a second chance for sheltered animals. They match and train companion animals for returning veterans to meet their specific needs.

October-November: Capuchin Soup Kitchen- Capuchin Soup Kitchen strives to feed bodies, nourish spirits, and strengthen communities. Since their inception in 1929, Capuchin has served thousands of people in need. Our goal is to bring together the credit union community to help feed and make a positive impact in the lives of those who Capuchin serves.

December: Friends of Foster Kids- Friends of Foster kids provides gifts during the holiday season to foster children who have been removed from their homes due to abuse and neglect and placed in temporary housing or shelters.
