

## Community Reinvestment Grants – Increasing Your Impact

The Michigan Credit Union Foundation can help you address community problems, create sustainable solutions, and increase the impact of your community reinvestment, financial education initiatives, and partnerships.

### Stronger Communities Through Credit Union Initiatives – 2015 Grants

**Alpena Alcona Area CU**

Money Smart Week financial education activities at mall with *Route Your Retirement Fair*.

**Alpena Community CU**

Creating a community "Financial Literacy Lending Library" in the credit union.

**CASE CU**

Creating an auto lending program for low-to- moderate income families with financial counseling, auto club membership and auto maintenance education.

**Central Macomb Community CU**

Creating a video documentary highlighting the needs of homeless Veterans and the services available to them through the Vets Returning Home agency and through credit union initiatives.

**Education Plus CU**

Helping low-income residents obtain job skills with scholarships to Skilled Trade Programs at Monroe County Community College.

**ELGA CU**

Reaching the underbanked with money management classes and prepaid cards.

**Extra CU**

Facilitating campus financial empowerment with Young Money Media Live! events at two college campuses.

**FinancialEdge Community CU**

Distributing *Money Rules* Books at DIFS 'Reinventing Mi Retirement' event in Bay City.

**Flint Chapter of Credit Unions**

Creating Chapter-branded Financial REALity Fair Materials.

**Frankenmuth CU**

Healthy food education and "Frankenmuth Credit Union Food Tokens" for low income residents at two local Farmers Markets.

**Limestone Federal CU**

Supporting the start-up and operation of a student-owned business in the community, providing job and entrepreneurial training and financial education.

**North Central Area CU**

Financial and credit union education with students, parents and teachers through student plays with the Acting Up Theatre Company.

**Settlers CU**

Creating website tutorials on money management and account management topics.
