Use the space below to submit your usage plan for books, should you receive them. Please include how many youth/students you intend to reach, the goals of your initiative, and your intended timeframe.

*Books must be utilized as part of a financial education activity. Examples include hosting an event at your credit union or using them as part of a March is Reading Month initiative.

Number of Books Requested: _____

MCUF will grant up to 250 books to participating credit unions. Credit unions that have not made a 2024 annual donation to MCUF at the full suggested cooperative level are encouraged to support the Foundation with a donation at or above the suggested minimum amount of \$2.00 per book, to cover our costs of purchasing the books. Credit unions not able to pick up books may be requested to cover shipping costs.

Program Parameters (please check all those that apply):

My credit union has made its 2024 MCUF annual donation at the suggested cooperative level amount.

My credit union has **NOT** made its 2024 MCUF annual donation at the full cooperative level.

My book donation amount is: _____ *MCUF will reach out with specific donation information.

*Not sure about your credit union's 2024 donation status? Contact Andrea.Tucker@mcuf.org to confirm.

I will pick up my books at the Novi Public Library on March 1st between 11am - 3pm.

I will pick up my books at the MCUL office in Lansing at a later date.

My credit union is more than 60 miles from Metro Detroit and/or Lansing and request our books be shipped.

I agree to the above perimeters and agree to report how my "event" went, by June 30, 2024. This should include the total number of youth impacted and details of the event like location, what you did/offered, etc.
