Dear *(Contact Name or Charity Name)*,

You may already know this, but a cornerstone in the credit union culture is finding ways to give back. Giving back to our members, communities, and beyond is part of what makes credit unions special! This annual day of kindness is our chance to show our communities throughout Michigan how much credit unions care! Another foundational element is our understanding of cooperation, and the power behind it. Credit unions take the cake with that, too! This annual day of kindness is our chance to show our communities throughout Michigan how much credit unions care!

This year, we would like to celebrate CU Kind Day with you! *(Your Credit Union Name)* is so grateful for the important work that you do at *(Charity Name)*, and we wanted you to know! Please accept this donation of \$_____ as our way of saying "thanks" for all you do!

Spreading Kindness,

Your Name, Credit Union Name

Enclosure: \$_____ Donation
