**Patty Corkery**  
President/CEO at MCUL

I am passionate about credit unions and enjoy serving as a leader with the best trade association in the country in support of Michigan credit unions. Happy to connect with engaging people and businesses that share my commitment to leadership and support "people helping people".

Patty will talk about the credit union initiatives in the upcoming year.

**Cameron Renshaw (12)**  
Local Award-Winning Cellist

Rising cellist Cameron Renshaw is gaining recognition for expressive performances that are beyond his years. Most recently, he received the "First Great Award" at the 6th Manhattan International Music Competition and performed at the Gala Concert in Carnegie Hall in July 2022.

In 2019, he made his orchestral solo debut with the Moscow Symphony Orchestra, after just two years of playing the cello. As a first place or grand prize winner of dozens of international competitions, he has had the honor of performing in some of the world's greatest concert halls, such as Carnegie Hall and the Concertgebouw in Amsterdam.

He has been featured on local and national media and in a performance on "The Ellen Degeneres Show" in 2020.

Cameron's mother and uncle will be joining him on cello and piano as a trio.

**The Grand River Chapter is proud to announce the payment of Cameron Renshaw for the evening was made as a donation on behalf of Cameron Renshaw to a local teacher that is battling cancer and her family.**
