

The Credit Union Movement and Advocacy

Advocacy training for credit union employees is essential. Our commitment to the “people helping people” values of our industry is strengthened by ensuring our team understands the movement, as well as current issues impacting credit unions and our members. Join us to review:

- The credit union movement
- The legislative process and how it pertains to credit unions
- Relevant and current credit union issues
- PAC fundraising and why we should participate

SPEAKERS:

Greg Dietrich, Mid-Michigan Chapter Legislative Liaison and Sales and Analytics at Frankenmuth Credit Union

Kristen Williamson, Community Relations Leader at Members First Credit Union
