Last year, Metro East Charity Golf Outing was record breaking with \$16,000 raised in just one day! Thank you to each and every one of our sponsors, golfers and credit unions who provided funding for our 2019 charities:

Rainbow Connection (January-April) The mission of the Rainbow Connection is to make dreams come true for Michigan children with life threatening medical conditions. Rainbow Connection has helped over 3,300 children.

Operation Care Package (May-August) Since 2003, Operation Care Package Michigan (OCPMI) has been sending care packages to soldiers overseas. Their mission is to never let an U.S. soldier be forgotten when serving.

Big Family of Michigan (September-December) Big Family of Michigan was founded in 2002 to provide dignity, humility and love to Michigan's 10,000 foster children whose emotional and physical needs are often overlooked. Big Family of Michigan provides back-to-school supplies, Christmas and holiday gifts, birthday in a bag, aging-out suitcases and college scholarships for Michigan's foster children and teens.
