

Greater Southwest Chapter

May 19, 2022

9:00 AM - 11:00 AM

Regenerate: Professionally & Personally (A Purpose Workshop)

We invite you to spend a couple rejuvenating hours with us defining your own individual purpose and how it supports the "People helping people" philosophy. This workshop will help you find the words to express those foundational elements of who you are and what you do with that to make a positive impact in your professional role and in the world.

This is a free workshop and breakfast will be provided.

Advia CU
6400 W. Main Street
Kalamazoo, MI 49009

In person attendance is preferred but Zoom is available.
