

MSU Extension requests for *Route Your Retirement Fairs* and/or other financial education partnerships with credit unions:

Quick coordination in setting a date is important so the event can be listed in the MSW online calendar of events and the fair materials can be reserved.

Please contact the MSUE staff directly to discuss partnership possibilities for this and other financial education. If you would like to facilitate a fair, please contact Beth.Troost@mcu.org to request materials and discuss MCFU funding opportunities.
