FUEL Michigan Young Professionals Networking Group Application Form

FUEL MI is a statewide program which encourages life-long involvement with credit unions. The main goal for the group is to expand support and provide opportunities for networking, collaboration, and developing credit union leaders. The group is encouraged to determine and implement additional ways for participants to connect, interact and learn about the credit union industry and movement.

2020 will consist of five in-person meetings and will be held in varying areas of Michigan. FUEL MI members must commit to participate by attending at least four in-person meetings during 2020.

A yearly membership amount of \$125 is due at the time of enrollment. Supervisor permission to participate in the group must be granted.

Since we are in need of fundraising, we would love it if your Credit Union would be interested in making a donation to FUELmi. This can be added to your yearly membership amount if your Credit Union would support the growth of young professionals in the Credit Union movement!
