

# 2026-2027 State Plush

## Directions

Use this form to help prevent lack of contribution reporting by periodically sending the proceeds and contribution information from sold plush to MCUL. For proceeds to count towards your 2026 goal, the information must be sent in by December 8<sup>th</sup>, 2026. For proceeds to count towards your 2027 goal, the information must be sent in by December 6<sup>th</sup>, 2027. **State law requires that PAC donations be submitted to us with the contribution information of every single donation made.** Please utilize the State PAC Reporting excel spreadsheet to submit and track your contribution information. **Please DO NOT send in the individual contribution forms, those are for your branch's record keeping.** Additionally, ensure that all your tellers selling plush animals are aware of the requirement to gather contribution information. Acceptable funds include checks, credit cards, or cash. However, if accepting cash, by state law no more than \$20 may be accepted in that medium, and additional contributions must be made using another method. An approved plush flyer should always be posted in the selling area.

The remittance dates below are suggested to help track your information.
