

Attention: Credit Union Professionals

The Capitol Area Chapter invites all Michigan Chapters to attend the following education event:

The Conversation You've Been Avoiding November 4, 2026

In this three-hour working session, we're going to focus on the accountability conversation you have with your peers, your team, and the one you owe yourself. You'll spend your time practicing with small groups, working through a case study, and learning from other participants. All levels are welcome to join the training, whether you're a teller or a manager of large teams! You'll walk away with immediate tools to have the honest and productive conversation you've been avoiding – you know the one I'm talking about. We hope to see you there!
