

Think You Know Money? Prove It!

Put your student's financial knowledge to the test in a statewide competition!

Real-World Skills. Real Competition. Real Rewards.

The Michigan Personal Finance Challenge gives high school students the opportunity to put their financial knowledge into action, work together as a team, and tackle real-world financial decisions.

Hosted by the Michigan Council on Economic Education, this exciting competition challenges students to think critically, solve problems, and showcase their financial skills.

How Does it Work?

- 1 Take on the Challenge**
Teams receive a real-world financial planning case study one week before the competition.
- 2 Present Your Solutions**
Students act as financial planners and present their recommendations to a panel of expert judges.
- 3 Compete for the Championship**
The top three teams advance to a fast-paced Quiz Bowl to determine Michigan's state champion.

What's at Stake?

\$1,000

Shared cash prize for Michigan's state champions.

National Finals

All-expenses-paid trip to Philadelphia for the winning team, with additional prizes at stake.
