## Charities we're supporting

Since its founding, this Michigan-based nonprofit has served as a vital lifeline for suicide prevention and mental health advocacy. By providing tools for emotional wellness and breaking the stigma surrounding mental illness, On a Dragonfly's Wings allows families and youth to find hope and healing after unfathomable loss. They are currently seeking support for their flagship "Camp Dragonfly" youth wellness program.

Founded during a period of economic crisis to prevent pet abandonment, the New Beginnings Pet Food Pantry is a high-impact, direct-aid resource for Royal Oak and the surrounding communities. By providing supplemental food to families in financial need, they ensure that pets stay in their loving homes and out of local shelters. A donation would help fund their pantry operations, directly feeding hundreds of local animals while highlighting our company's commitment to community stability and animal welfare.

### Bound Together

For over 30 years, Bound Together has operated as a grassroots "after-school sanctuary" for elementary and middle school students in Pontiac who are performing below grade level. By providing high-intensity 1:1 tutoring alongside daily nutritional support, the program addresses the dual barriers of academic struggle and food insecurity. A donation would be a significant contribution to their annual operating budget, specifically designated to fund their "Hot Meal & Enrichment" initiative ensuring that every student receives a nutritious dinner and access to specialized STEM and art programming that local schools often lack.
