

# Bill Thena

With over 30 years in the financial industry, Bill has a deep well of experience in leadership development, management, facilitation, and training.

He is passionate about helping adults learn, develop, and grow in their personal and professional lives.

Bill has had the opportunity to guide over 200 FPCU employees through coaching and leadership courses, resulting in nearly 100 promotions, and has received universal praise for the personal impact and effectiveness of his programs.
