

2026 \$mart Money Kids Read - CU Book Availability

The Michigan Credit Union Foundation (MCUF) has purchased additional copies of the 2026 \$mart Money Kids Read book, *How Do You Spend?*, by Cinders McLeod. These are being made available to Michigan credit unions to utilize as part of a financial education activity.

Celebrate the many different ways a little bunny can spend her savings, and learn about opposites too!

Bun has been saving her carrots and now it's time to spend some - but HOW will she spend them? She could spend fast, buying lots of things at once, or slowly on something unique. She also needs to consider buying for herself or for others, as well as things she needs and things she wants.

The book is designed for grades pre-K through 2nd. Included with the book are free bonus activities and suggested supplemental materials.

Reserve your copies by **February 18, 2026!**

A limited number of books are available and will be given out on a first-come-first-serve basis as a MCUF grant. Credit unions are asked to utilize books in an "active" way, by hosting a youth event, using the books as part of a school event, or something similar. Plans and goals for the "event" will need to be provided in advance.
